ZOMBIES AND KILLER CLOWN OUTBREAK ON TEXAS WESLEYAN CAMPUS

Fort Worth, TX – Texas Wesleyan University is actively responding to a zombie and killer clown outbreak on campus, prioritizing the health and safety of students, faculty, and staff. As of now, **5 confirmed cases** have been reported, and the university is working closely with health officials to contain the spread.

Bandanas indicate infection.

TXWES will continue to provide updates as the situation evolves. For concerns or medical assistance, please contact **Health Services Contact**.

A press conference will be held at 10:00 p.m. in the Bragan Fellowship Hall.
